

Examination!

The written examination will be in 15-327

You send your pdf-file of your paper to sven-olof.collin@hkr.se

You submit the paper version (if not stapled or kept together in some good way => No Pass, due to bad management of examiner that gets crazy because of loose paper sheets....) in a box that is located at the top of the post-boxes in house 21, bottom floor, to the right when you enter through the main doors.

I will not give you good luck, since examination is not about luck but knowledge.

So, good knowledge!

Sven-Olof
